

Alta Mesa Townhomes Association

Welcome to Community Association Underwriters' insurance program. This two-page fact sheet is designed to assist you in:

- **Purchasing your own insurance**
- **Filing claims**
- **Ordering certificates of insurance**

Key information regarding the association's insurance policy:

1. The common elements, limited common elements and units are covered.
2. Units are covered based on original condominium plans and specifications. For example, fixtures, cabinets, floor coverings and appliances should be repaired or replaced with new items of like kind and quality to those originally installed. Upgrades are not covered. This includes, but is not limited to, upgraded carpeting, cabinets, appliances, wall coverings, finished basements, built-in bookshelves and other permanently installed fixtures.
3. The covered causes of loss include: fire, lightning, windstorm, hail, explosion, riot, aircraft and vehicle damage, smoke, vandalism, falling objects, weight of ice, snow or sleet, collapse, sudden and immediate water escape or overflow from plumbing or appliances, frozen pipes, and convector units.

The association's policy includes the following deductibles:

- \$5,000 Basic
- \$5,000 Water Damage
- \$5,000 Per Unit Ice Damming

Please refer to the actual policy for additional deductibles, terms, and conditions.

4. No coverage is provided for wear and tear, deterioration, damage by insects or animals, settling or cracking of foundation, walls, basements or roofs. There is no coverage for damage caused by continuous or repeated leakage or seepage from appliances or plumbing. This includes, but is not limited to, leaking from around the shower, bathtub, toilet or sink. These events are properly classified as maintenance items.

Key information regarding unit owner's insurance needs:

1. You need a condominium owner's policy, also known as an HO-6, to pick up coverage for your personal property, furniture, additional living expenses (in the event your unit is uninhabitable due to a covered claim), all upgrades, improvements and betterments and personal liability.

In older communities, it may be difficult to differentiate between the original specifications of your unit and subsequent improvements that were made. If original plans and specifications can not be determined, local builders' grade is used to adjust a claim. In cases where you are uncertain about your needs, consult with your personal insurance agent about adding an estimated amount of insurance coverage to your HO-6 policy.

2. The association insurance policy carries a deductible. In the event of a claim, the association may seek to recover the deductible from unit owners involved in the claim. Your obligation to pay the deductible may be offset by your HO-6 policy, subject to your own deductible, if you add building coverage. Ask your personal insurance agent.

Note: This fact sheet is intended to provide a brief summary of insurance issues. In all cases, the declarations, terms, conditions and exclusions of the actual policy will apply.
